**BOLD, BEAUTIFUL, and BOUNTIFUL!**

Dear Prospective Paul G. Stewart Residents:

We are pleased to transmit with this letter our Registration Form. Please accurately complete and sign this form, and return it as soon as possible. It is important that you return the form as soon as possible because the postmark on the return envelope that is included with this form will establish the order for determining when we will contact you to come in to fill out an application for the waiting list. In other words, we will take applications for the waiting list on the "first come first served" basis based on the postmark of the returned Registration Forms.

Thank you for your interest in Paul G. Stewart Apartments.

Sincerely,

Diasha Brown  
Management Supervisor
